Short Sale Specialist

We can sell your house in short sale at no cost to you.

If your house is in foreclosure due to not making payments and you have received trustee sale date, even then we can sell your house in short sale. Selling house in short sale damages your credit less than if you let it go to foreclosure. We can also sell your house in short sale even if you are making mortgage payments on time with difficulty and your house value is a lot less than the loan.
